10. **To agree** the contents of the Draft Minutes of the Annual Parish Meeting held on Thursday 18 May 2017, to be confirmed and signed at the next Parish Meeting, and **to consider** any actions arising as a result of this meeting, including the following:
 - 10.1. **Six month pilot ban on HGVs passing through East Harling.** As promised, county Councillor Steve Askew put the Clerk in touch with the NCC officer responsible for the project. He acknowledged that the prohibition signs at the northern end of the ban area should not yet have been uncovered, and these have now been painted over. Initially he argued that these signs were located exactly where the Committee had agreed, but the Clerk insisted that no matter who agreed it, the location was wrong. Eventually the officer agreed that they would be moved to immediately south of the junction with the A11 slip road, so that prohibited HGVs have an alternative route to take. The officer also provided a plan showing the advance warning signs that will, eventually, be put up by Highways England. There will be two warning signs on the A11 on the approach to each exit at the B1111 junction, plus signs where the slip road meets the B1111. There will also be signs at the junction of the B1111 the A1075.
 - 10.2. **Broadband.** Karen O’Kane, the Officer dealing with Better Broadband for Norfolk, has reported that 24 Roudham properties are served from East Harling Cabinet 1 and one other connected directly to the Harling Local Exchange. There are currently no plans for these properties. 33 Larling properties are served from the Great Hockham Local Exchange. A fibre solution is planned subject to survey during 2019 which will serve 15 of these properties. There are currently no fibre plans for the others. 15 properties are served from East Harling cabinet 1. 13 of these will be served from a new fibre cabinet planned, subject to survey, for implementation during 2019. There are no plans for the remaining two properties. Any property with access to a broadband speed of less than 2 mbs that will not benefit from a fibre upgrade can access the Government’s voucher scheme, details of which are on the Better Broadband for Norfolk website <http://www.betterbroadbandfornorfolk.co.uk/better-broadband-subsidy-scheme>.
 - 10.3. **Parking on the verge outside premises on Roudham Road.** At the request of Councillor Askew, David Jacklin, Highways Engineer visited to see the problem. He said there were several cars parked on the verge outside SHB, but he did not consider this to be dangerous or obstructive, and felt that this was preferable to on-street parking. He pointed out that it is not an offence to park a vehicle (other than HGVs) on the verge unless it causes and obstruction or there is a Traffic Regulation Order or byelaw prohibiting it, and said that there would be no intervention from Highways at this time. The Clerk responded pointing out that cars parked at the eastern end of the verge actually obstruct the visibility splay of vehicles exiting the adjacent access road, and asking him to reconsider using bollards for at least the first part of the verge at that end. This was three weeks ago, but NCC has not yet responded.
11. **To consider** organising some monitoring of the HGV traffic which passes the turning into Roudham Road without entering the industrial estate after the HGV ban has come into force.

12. **To receive** an update of the Airfields of Britain Conservation Trust proposal to erect a plaque to commemorate Harling Road airfield.
13. **To approve** an application to the Government Transparency Fund for a grant totalling £376.92 to cover the cost of the Council complying with the new Transparency Code during 2017/18
14. **Finance.**
- 14.1. **To approve** payment to the Clerk and HM Revenue & Customs totalling £588.77 (salary for 1 April 2017 to 30 June 2017: £486.72; Mileage Allowance Payment for 17 March 2017 to 6 June 2017: £102.05).
